HAvRel
Honeywell Aviation Reliability

Welcome

NOTICE: HAvRel charting is back online.
We have upgraded to Fusion Charts XT.

- **What is HAvRel?**
The HAvRel website provides easy access to Aerospace Reliability data and Avionics & Mechanical Shop Repair Records. [More Info?](#)
- **Key Features:**
 - Shop Record Reports (Live Shop Repair Queries)
 - Summary Reports (4 Ups, MTBUR/MTBF and NFF)
 - Static Reports (Snapshots/Reports, previously sent to Customers) >.
- **New to HAvRel?**
Go to our [Quick Start Guide](#).

- **Tips for Using HAvRel:**
 - The blue left menu provides primary navigation.
 - Hover over an item to see additional information, then click on the item to make your selection.
 - Most selections will require that you login.
 - The [Visual Navigation Screen](#) provides an additional intuitive method for navigation.
 - The [Help](#) Section will prove invaluable in making the best use of this site.
 - The Help Menu contains two HAvRel training links.
 - Use [Feedback](#) for questions or comments.

Request New Honeywell LDAP Account

4. The system will take you to id.honeywell.com. On the main page go to “Request Application Access” (Access Management column, 2dn option).

5. In the Application name field write/choose “HONEYWELL AVIATION RELIABILITY (HAVRel)” and click “Next” (names and IDs fields will be pre-populated).

Request Application Access Form

The screenshot shows the 'Request Application Access Form'. At the top, there is a title bar and a note: 'Compliance applications; all non compliance applications are located under application access'. Below this, there are several fields and a dropdown menu. The 'Request For*' field has radio buttons for 'Self' (selected) and 'Others'. The 'Employee ID' field is pre-populated with '11200001'. The 'Employee Email Address' field is pre-populated with '11200001@Honeywell.com'. The 'Manager EID' field is pre-populated with '11200002'. The 'Manager Name' field is pre-populated with '11200002'. The 'Application*' field is a dropdown menu with 'HONEYWELL AVIATION RELIABILITY (HAVR)' selected. Below the form, there is a pagination bar showing 'Page 1 of 1' and navigation icons.

6. An “Access Details” section will appear, click the radio button of “New Access”.
7. Write a “Business Justification” (please, tell us a little about your role group the work within. i.e., repair shop, engineering, customer support, warranty, etc.).
8. Click “Submit” button.

Access Details

Application	<input type="text" value="HONEYWELL AVIATION RELIABILITY (HAvRel)"/>
User Name	<input type="text" value="Hector Garcia (1230001)"/>
Request Type*	<input checked="" type="radio"/> New Access <input type="radio"/> Modify Access <input type="radio"/> Remove Access
Business Justification*	<div style="border: 2px solid red; height: 60px;"></div>

The system will generate an access request 'ticket' that will go through the approval process. After your manager approves, a HAvRel security admin will finish setting up your account and notify you. The whole process should take two business days (or less).

If you have any questions, feel free to contact us. The Contacts page on the website lists a number of people you may call for assistance. The current primary caretakers of the website are Hector Garcia, Mike Sicz, and Jesus Duperon.
